5 Minute Highlight Montage video from the whole day artistically edited to music. A great way to recap the day without having to watch the entire video!

Interviews of Bride and Groom (optional) Interviewed on the Wedding Day to say special words to each other before walking down the aisle.

PLUS ONE OF THE FOLLOWING

1. Past and Present Photo Tribute: Childhood and Dating pictures of Bride and Groom edited to music with special effects (50 pictures)

2. Wedding Day and Honeymoon Photo Tribute: Pre-Wedding, Wedding and Honeymoon pictures edited to music with special effects (50 pictures)

We use professional Sony 3-chip digital cameras, wireless microphones, and other state of the art professional equipment in order to capture the perfect images of your wedding day. All packages are digitally edited with titles, music and effects

Prices Effective February 18, 2009
